

各位輔大英文系準大一新鮮人們大家好！👋

跟大家做個自我介紹，我們是輔大英文系第 26 屆系學會正副會長林呈恩 Ryan 和羅以樂 Noah，你們之後系上的大小事就會由我們來處理～📧

大家的高中生活終於要告一個段落了，辛苦你們撐過了學測、備審跟面試等入學階段，接下來要準備進入嶄新的大學生活啦！很高興你們即將加入我們英文系的大家庭，我們所有人都非常歡迎你們的到來！這封信是個簡單的歡迎信，我們會長兩人各自有想對弟妹說的一些話：👤

From Ryan:

說實話，其實我也只比你們大一歲而已，才準備升上大二。現在看到如同一年前我們的你們準備進來，不免還是會覺得歲月如梭，因為我們的身份從當年的被照顧者變成了現在的照顧者，責任也在身為會長的我和我們系學會的身上，我們會好好照顧並且盡力的幫助大家，不管是食衣住行育樂或是課業、事業、生涯，我們都會協助各位更快適應大學生活👏

在輔大英文系度過了一年之後，我有三件事想跟弟妹們分享：關於課業成績、大學生活、未來規劃

相較於高中時期的我，大學的我英文能力是有很明顯的進步的，不管是最弱的作文還是我比較擅長的口說，都能夠在這裡獲得進步與精進。此外，這裡不是只有英文而已，大一的你們有 CC (作文與會話)、語言學、文學等課程，雖然說課業繁忙，但是換個角度來想，能夠學習不同知識、累積經驗是很重要的！學習或許也會開始變得有趣。英文也不只是學怎麼考試而已，不需要因為自己的成績而自卑，拋開學測的成績，還沒開學就當作大家都在同一個起跑線，之後就不斷追求進步吧！🙏

大學生活非常自由，上下限取決於自己，如何豐富自己的生活其實也很重要，我覺得想做什麼就去做。不管是打工、接家教、或是參與校內外各式大小活動，就儘管多方嘗試！甚至是娛樂我都很鼓勵大家去多玩，但要注意安全。像我的話上班就有接補習班老師跟輔導老師，也有嘗試偏鄉教學跟留遊學展翻譯大使，現在甚至還想去我們系上畢業公演的試鏡呢～系上的資源很充足、外面

的世界很廣闊，各種領域有不同的路，儘管去闖，不要怕失敗，總之就是不要讓未來的自己後悔！反正只有試了才知道！

大學已經不像國高中一樣，總覺得未來還很遠什麼都不用管了。我們只有四年的時間，畢業後的我們不是出社會就是去念研究所了，所以要呼籲大家!! 多花點心思在未來的規劃上，想想自己到底適合什麼。正因為大學充滿未知，才更有機會讓你們大開眼界，好好探索，尋找自己真正想要的一條路。從英文系畢業的人可以做的事有很多，而且是超乎你們想像的！各個領域都會涉及到英文，不要怕別人說什麼 AI 會取代你，掌握權一直都在我們身上。大學就是不斷地嘗試、不斷地修正，為了自己而打拼吧！🔗

我盡可能長話短說了，祝大家暑假愉快！請好好放鬆、好好充電，也可以好好期待之後為你們舉辦的活動喔！跟大家偷偷預告一下，會先有新生營跟系烤這兩個活動喔😊 ~ Peace out 🙏

From Noah:

Dear Freshman Students of the English Department,

Welcome to the English Department, and congratulations on reaching this significant milestone in your academic journey. As you close the chapter of high school and embark upon a new stage of life, you may experience a mixture of excitement, uncertainty, and anticipation. Such feelings are completely natural, for university life presents countless opportunities for growth, self-discovery, and intellectual development. As a sophomore student who has undergone the same transition, I would like to share some of my experiences and reflections with you. Although high school life has come to an end, a new chapter begins by embracing challenges, adapting to university life, and remaining excited and motivated to pursue knowledge.

Reflecting upon my first year, I realise that the challenges I encountered played a vital role in shaping me into a more disciplined and resilient learner. Courses such as Dr. John's Bible class encouraged me to think critically and develop a deeper understanding of faith and morality. Likewise, CCI demanded perseverance and dedication, as it required me to strengthen my academic writing and communication skills beyond what I had previously experienced. Furthermore, Dr. Donna's

Introduction to Literature course opened the door to a world of literary appreciation and analysis that was both fascinating and intellectually demanding. There were moments when I doubted my abilities and felt overwhelmed by deadlines and expectations. Nevertheless, these difficulties taught me that growth often emerges from adversity, and every obstacle became a stepping stone that enabled me to mature both academically and personally.

Equally significant was the period of adaptation that accompanied my transition into university life. Unlike in high school, university requires students to become independent learners who manage their own time and priorities. Initially, I struggled to balance coursework, extracurricular activities, and personal responsibilities. There were times when I felt lost and uncertain about whether I truly belonged. However, through the support of my professors, classmates, and friends, I gradually found my footing. I learned how to organise my schedule, cultivate effective study habits, and appreciate the value of perseverance. More importantly, I discovered that adjusting to a new environment does not happen overnight; it is a gradual process that requires patience and self-belief.

Looking back on these experiences, I have come to understand that maintaining enthusiasm and motivation is essential for success. There will inevitably be moments when you feel exhausted, discouraged, or even tempted to give up. Yet, I encourage you to continue moving forward with curiosity and determination. Do not be afraid to make mistakes, for mistakes are often the greatest teachers. Cherish the friendships you will build, seek guidance from your professors, and take advantage of every opportunity to learn and grow. University education is not solely about obtaining excellent grades; it is about discovering your passions, broadening your perspectives, and becoming the person you aspire to be. Therefore, remain excited about the journey ahead and never underestimate your potential, because you are capable of achieving far more than you may imagine.

In conclusion, I would like to extend my warmest welcome to each and every one of you. Although the transition from high school to university may seem intimidating, it is also the beginning of a remarkable journey filled with opportunities, challenges, and unforgettable memories. By embracing difficulties, adapting to change, and maintaining a passionate and motivated spirit, you will undoubtedly make the most of your years in the English Department. As you begin this exciting chapter, I hope you will approach each day with courage, curiosity, and confidence. May your university life be filled with meaningful experiences, lifelong friendships, and achievements that

you will cherish for years to come. Once again, welcome to the English Department, and I sincerely wish you all the best in this extraordinary adventure that lies ahead.
