- Love for colors

- First picture book (2nd or 3rd grade in elementary school)
- Tool: Water markers
- No organization → just for fun!!!

有一隻羊，牠很愛跳舞。

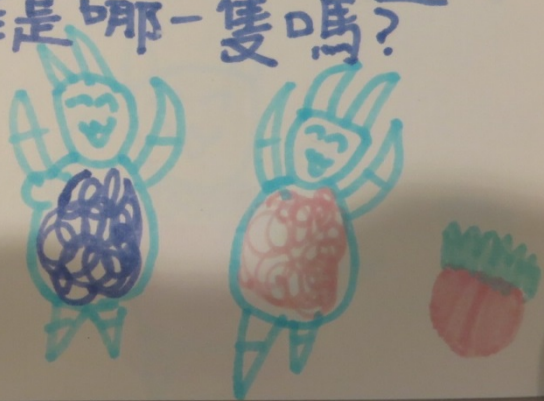

想吃草莓的人都
要早一點到市場，不
然就沒了。

牠也愛吃草莓，三
養都是草莓。但是
再早也不會比小羊早，
所以人們都很不
喜歡牠。人們常在
背後偷罵牠。

牠媽媽讓牠上了
跳舞課，小羊認識
了新朋友！你知道小
羊是哪一隻嗎？

小羊要求媽媽為
牠買舞衣！媽媽答
應了。小羊好高興！

小羊太高興了，張
腳跳高的時候張
得太開了，所以掉下
來的時候腳有黑占，
到牠媽媽趕快把
他送到醫院去了。

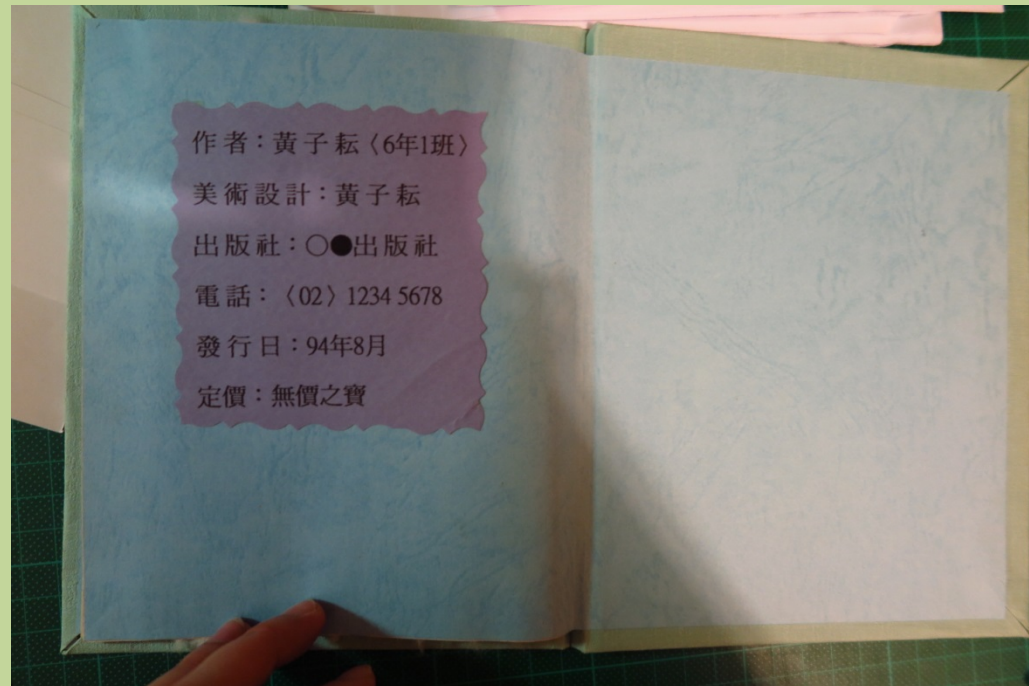

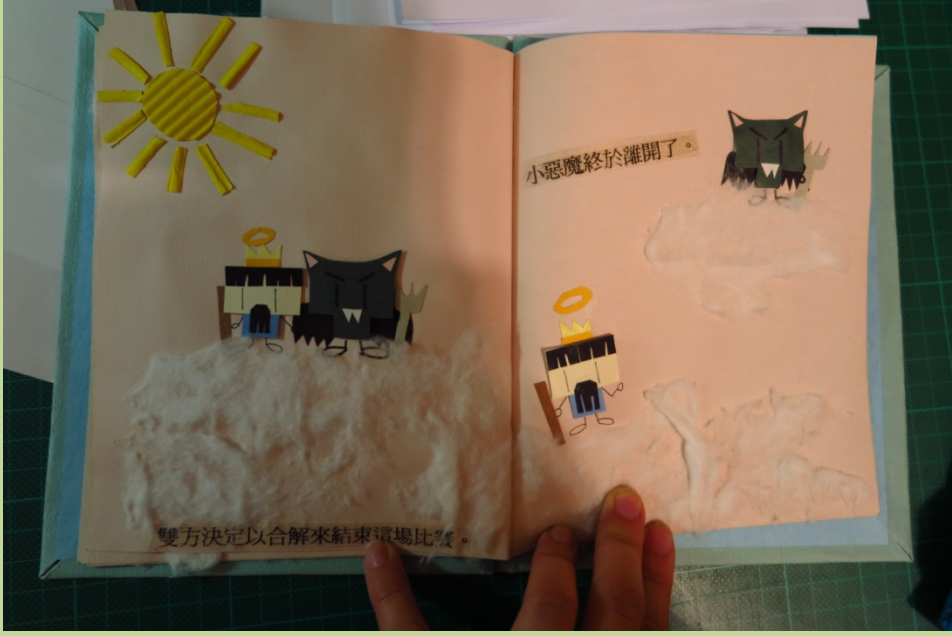

從此小羊就變成了跳舞高手了。

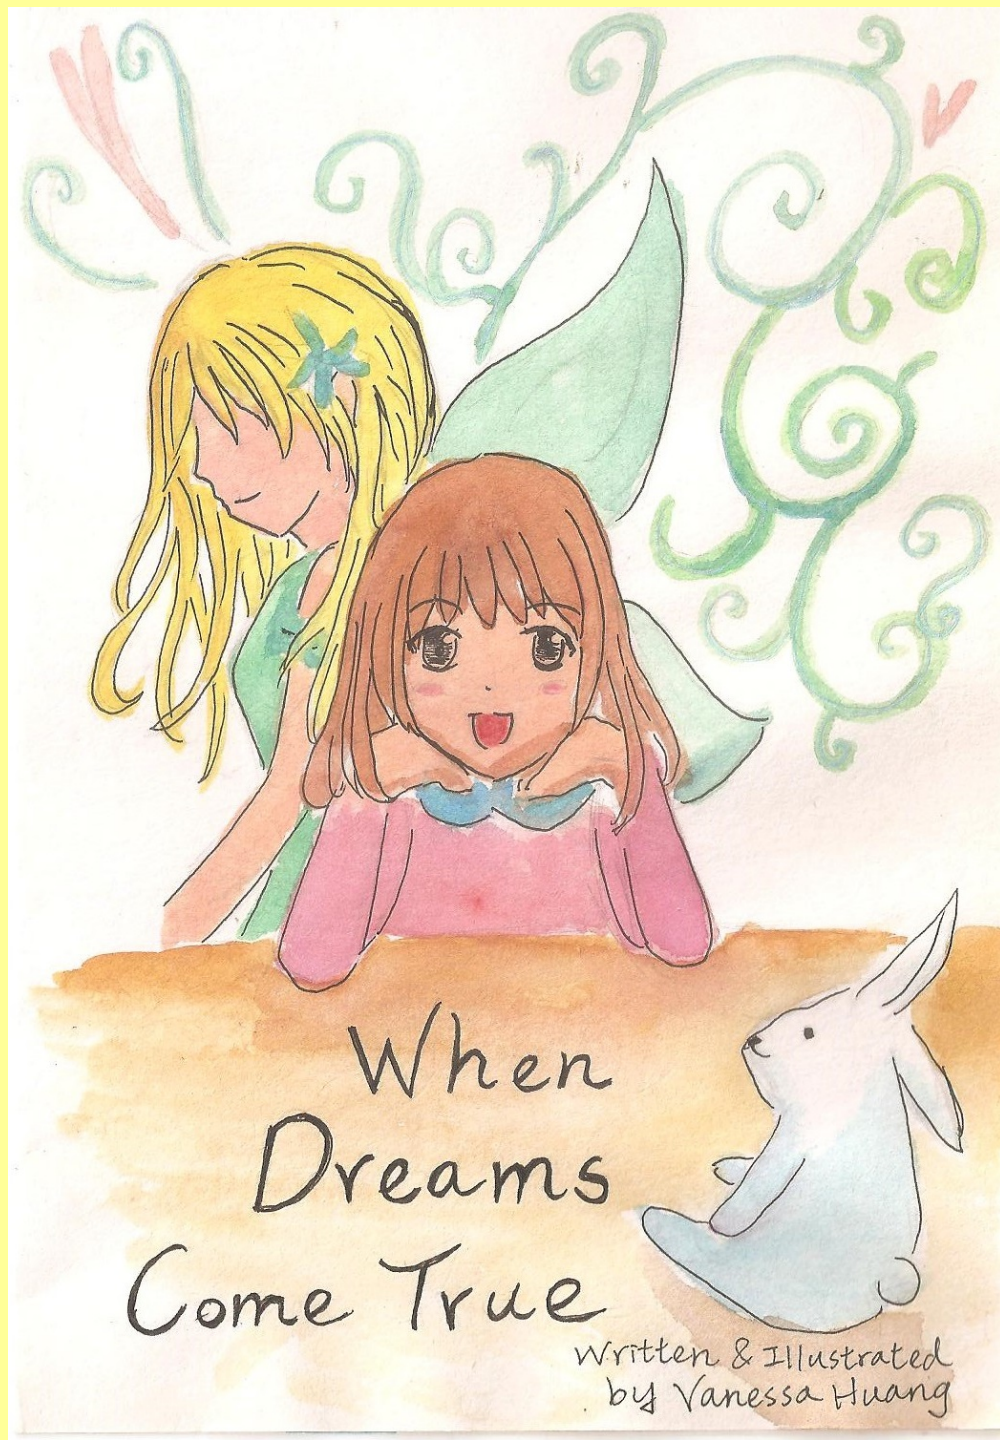

這些小羊的時候來了。

It is said that when children are even, they could meet the fairy godmother to have a dream come true — as long as they are being good.

Terrisa was six years and three hundred and sixty-three days old. She had been looking outside the window to see if the fairy godmother would come earlier.

Then, on the last day before her seventh birthday, she found a rabbit hole in the yard. Somehow, she believed the fairy godmother must have lost her way there.

The next day, she went to school on the road she had never taken.

After school, she went to stores she had never been in.

However,
she found
NOTHING

"Policeman, policeman, my fairy godmother must have lost her way to my house! Please help me!" cried Terrisa.

"There is no such thing little girl," the policeman replied.

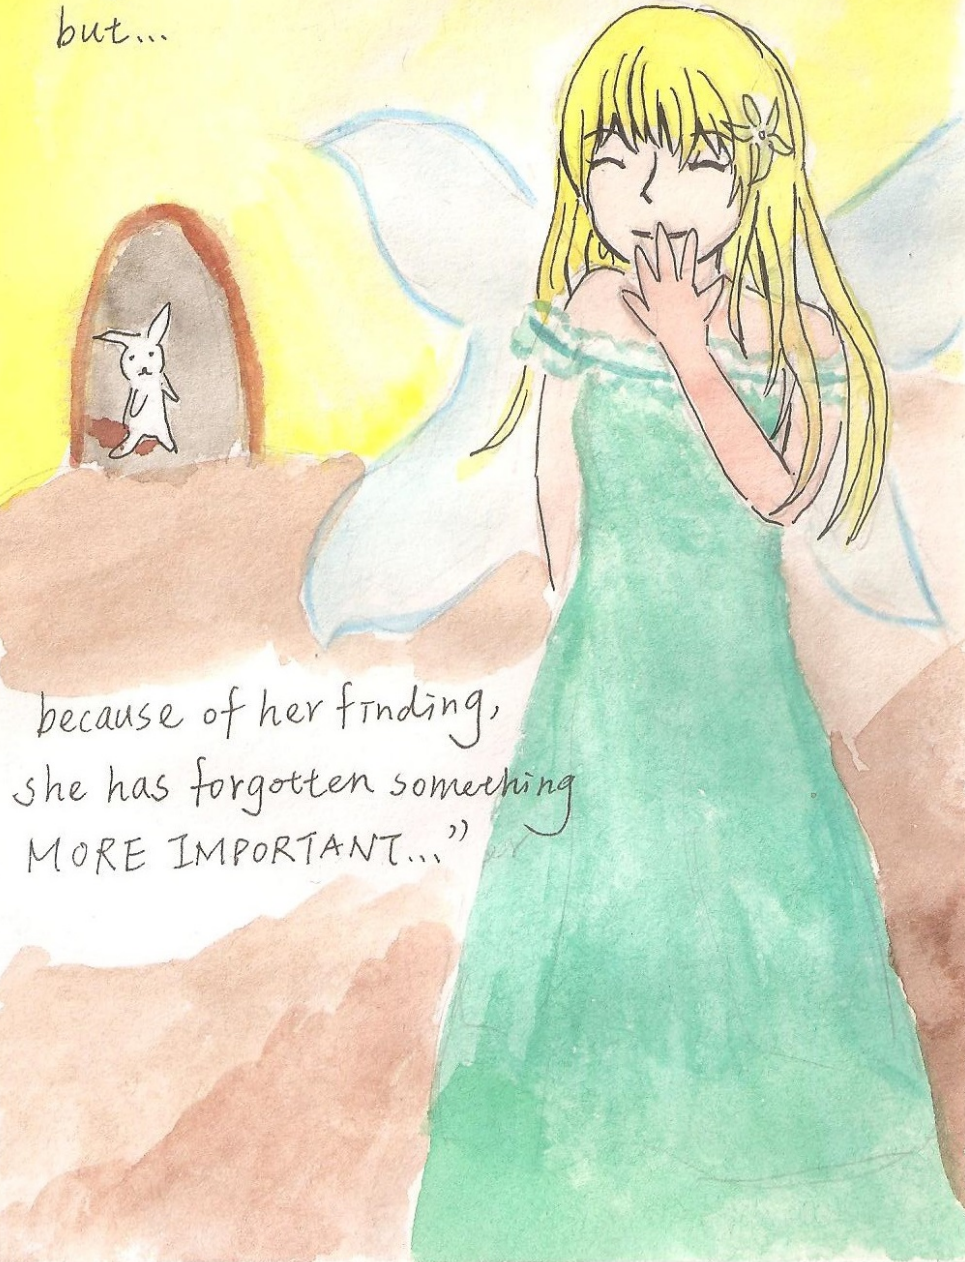

At the same time, a rabbit went to tell the fairy godmother what he had seen.

"Oh, dear fairy godmother, a little girl named Terrisa is going to be seven. Have you forgotten that she has always been a good girl?"

"Of course not, my child. I know she is good and kind, honest and thoughtful but..."

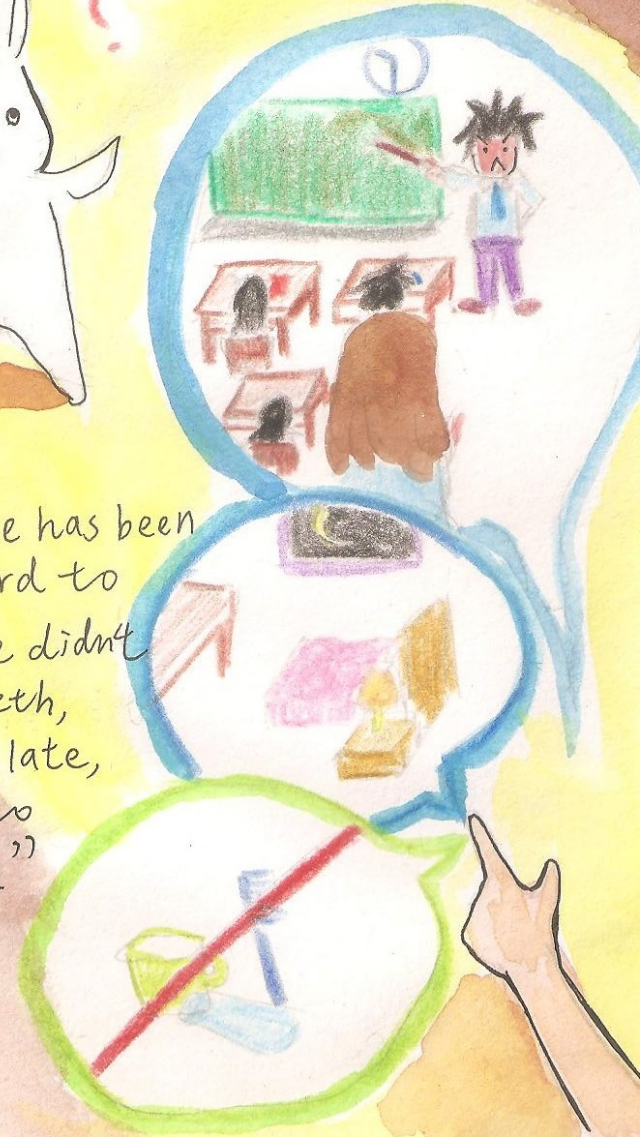

because of her finding, she has forgotten something MORE IMPORTANT..."

"What does that mean, fairy godmother?"

"Because she has been trying so hard to find me, she didn't brush her teeth, went to bed late, and went to school late."

"But, don't worry.
I will go and fulfill her dream
when it is time
to do so."

So Terrisa had her seventh birthday
party just like the former six ones.

—without the
fairy godmother

But, she still
had a great time.

HAPPY BIRTHDAY

She had such a great time
that she almost forgot
the fairy godmother.

At the end of the party, when Terrisa
was unwrapping her gifts ...

"Now, it seems that you
have found happiness on your own,
I will fulfill your dream.
Terrisa, what is your dream?"
asked the fairy godmother.

"I would like to go to places
that are filled with my favorite food
and favorite things... with my friends?"

"And so shall it
Come True."

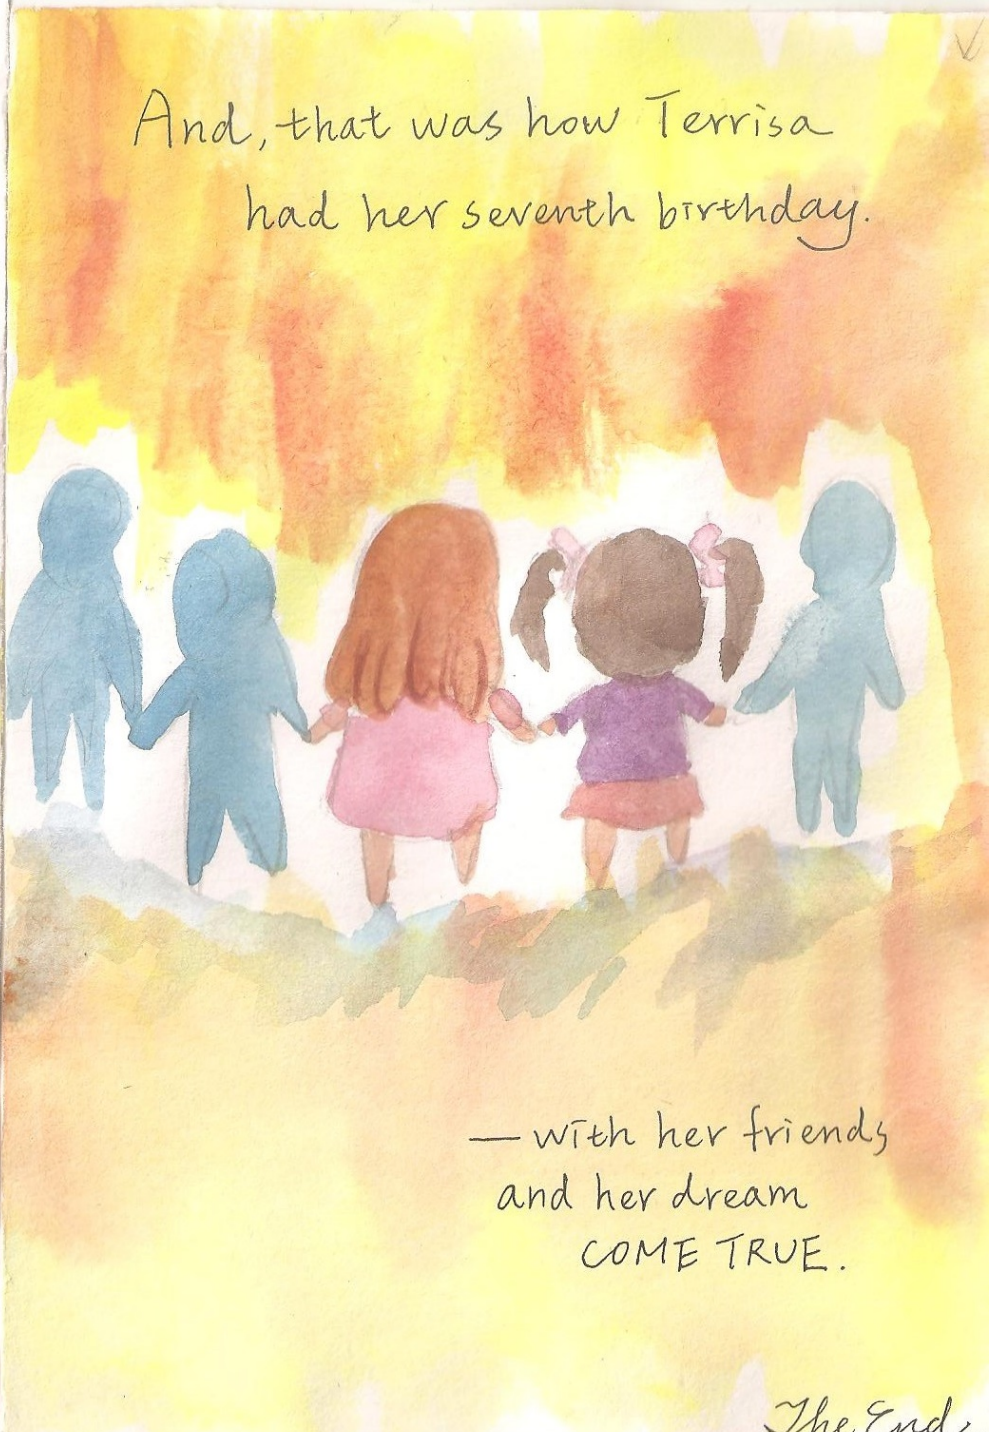

So, Terrisa and her friends were sent to the Ice-cream Wonderland, where they ate a lot of ice-cream.

Then, they went to Toy's Kingdom, where they had a lot of fun.

Finally,
they were sent to
the rabbit's family
to be their VIPs.

And, that was how Terrisa
had her seventh birthday.

— with her friends
and her dream
COME TRUE.

The End.

What I want to express...

- Not to forget important things when pursuing dreams
- Share
- Dream like a child

Thank You!
