How to Fly

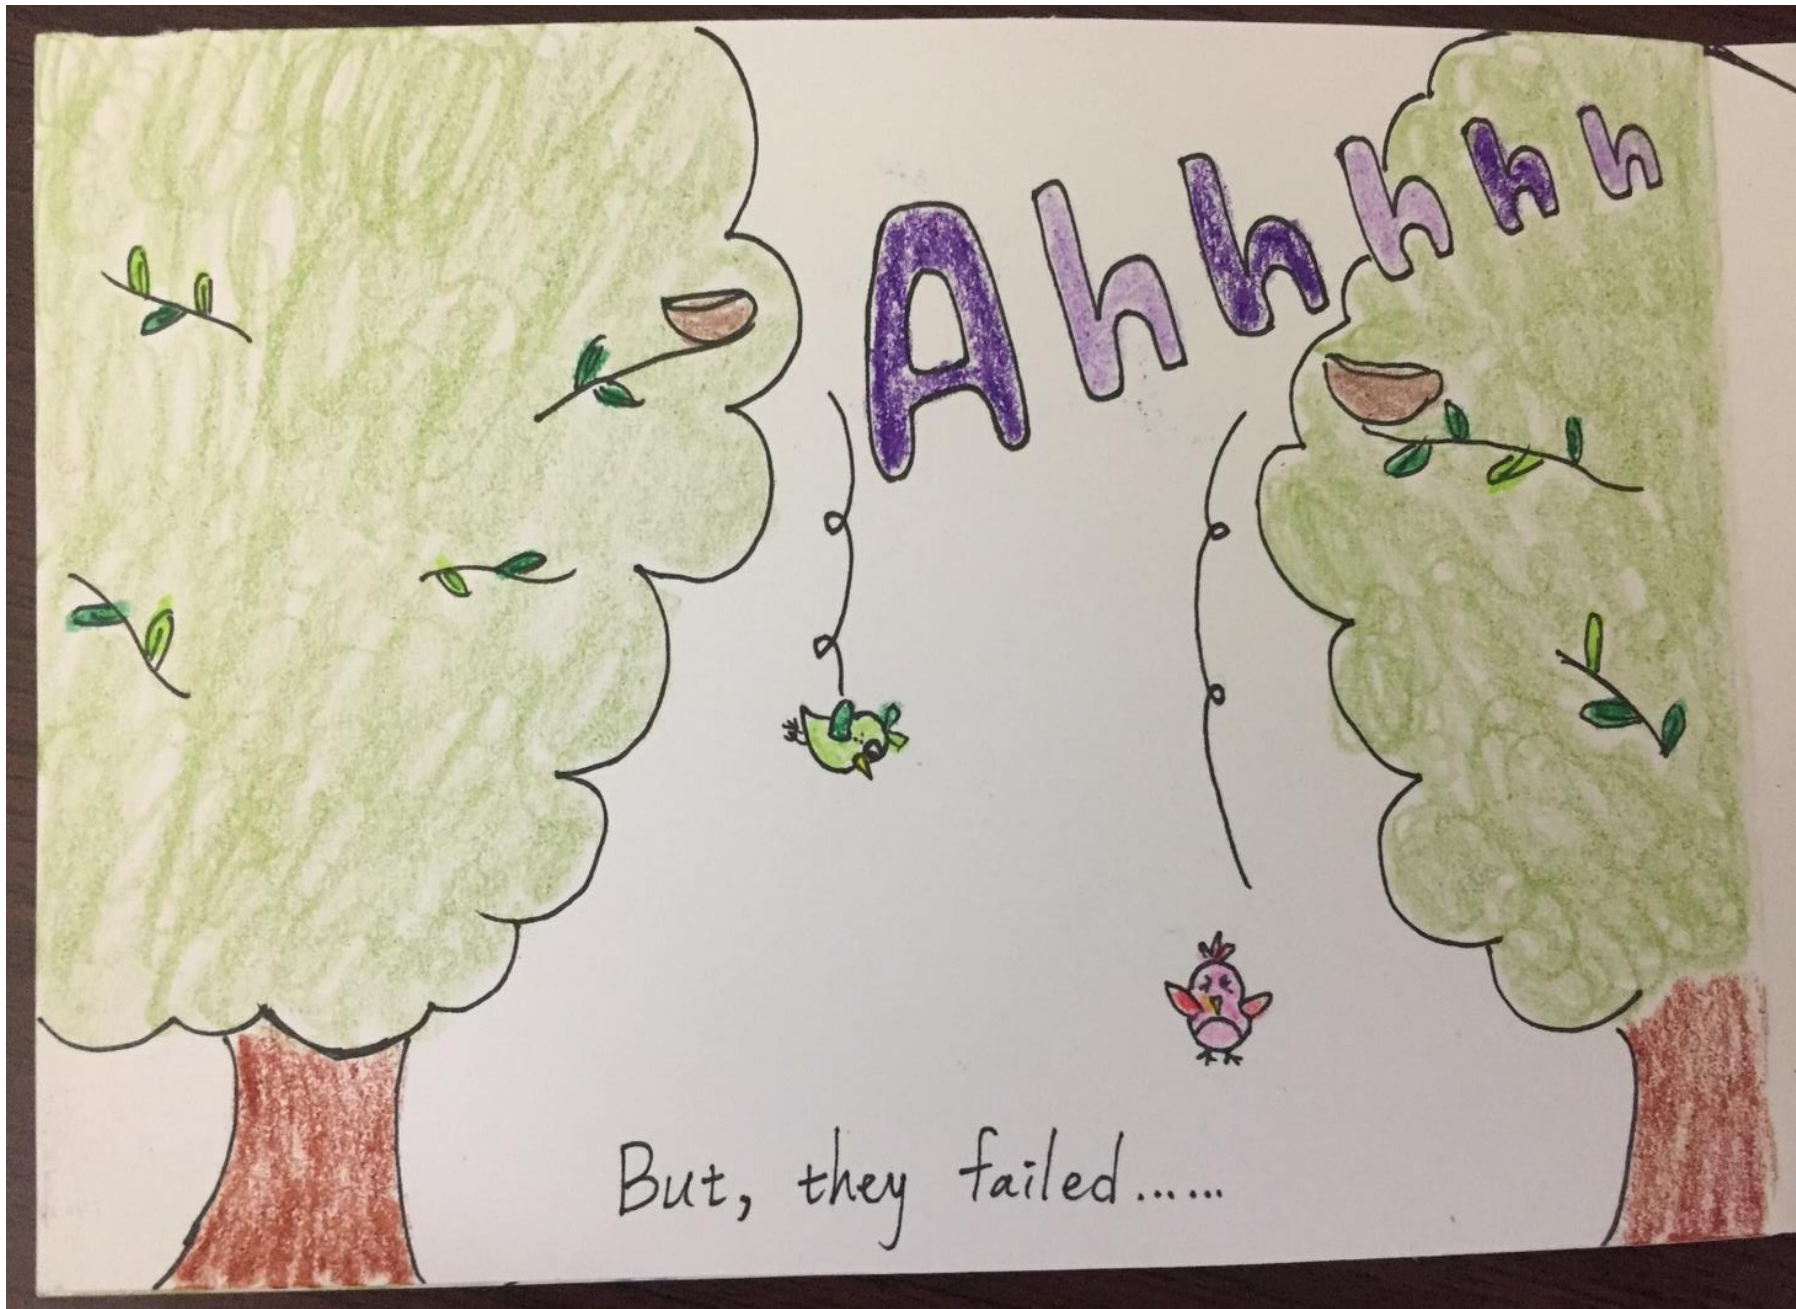

- This is a story about the attitude toward solving problems and facing difficulties.

PINK,
we must learn
how to fly today,
because our parents
are going out
this weekend.

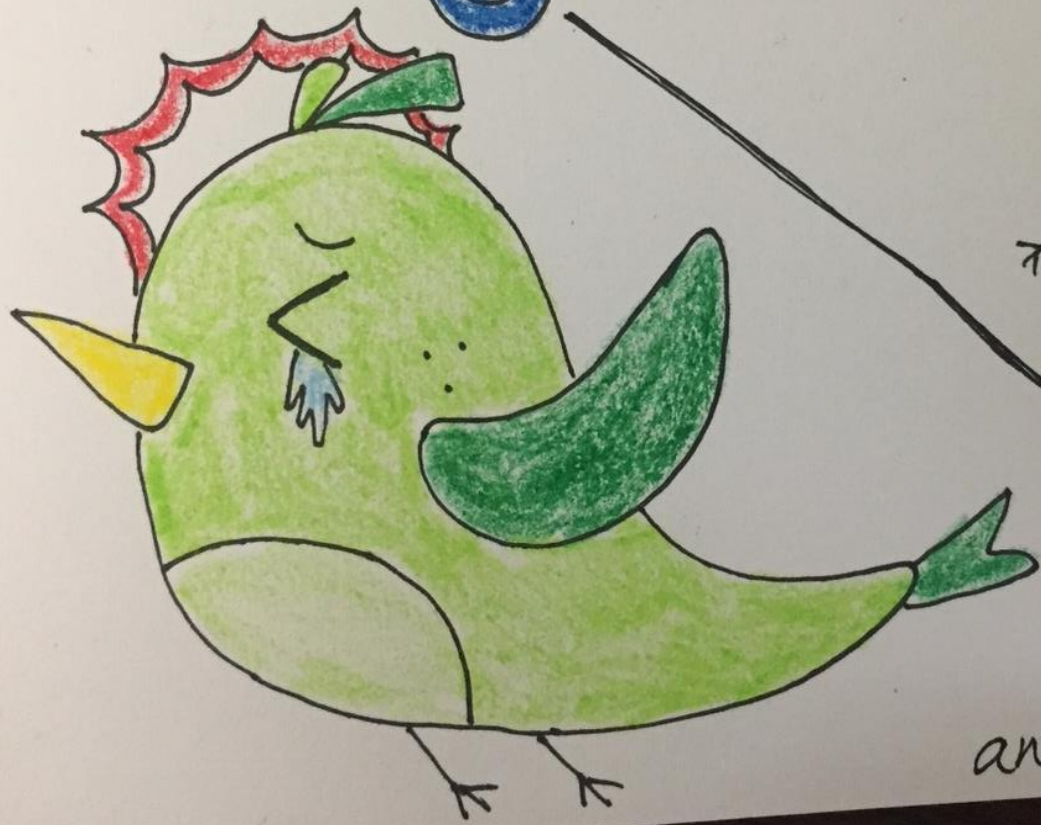

OK, GREEN.
Let's FLY!

But, they failed.....

OUCH!

and hurt.

The Next Day

PINK,
we must try
again!

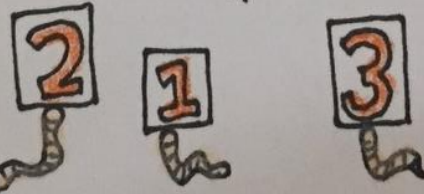

No, I don't
think I can
do it. I broke
my arm.

Then, GREEN
had tried again,

again,

and again.....

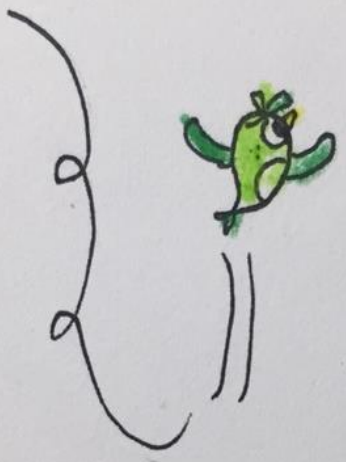

The Next Day

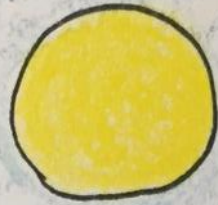

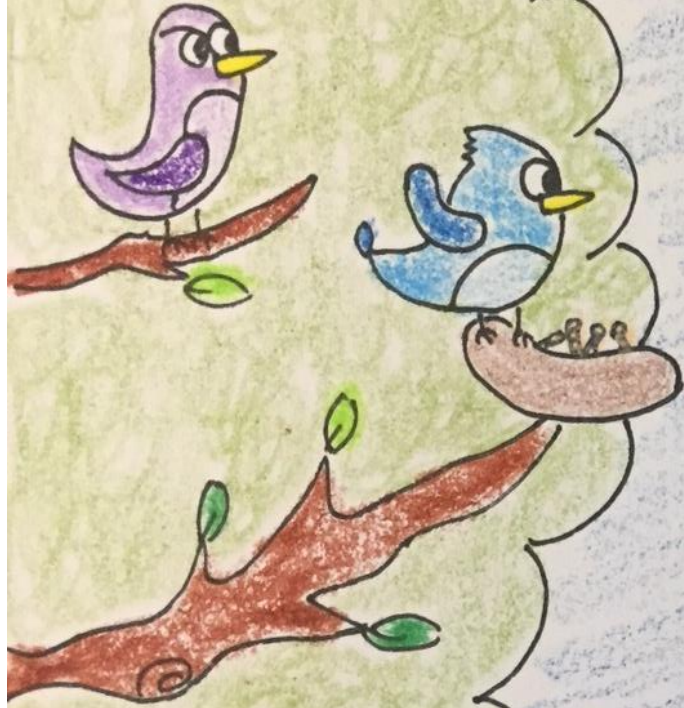

PINK,
guess what?!
I will bring our
food back today,
by FLYING!

Are you sure?
You have failed
so many times.

I DID IT!

I'm starving
Thank you,
GREEN.

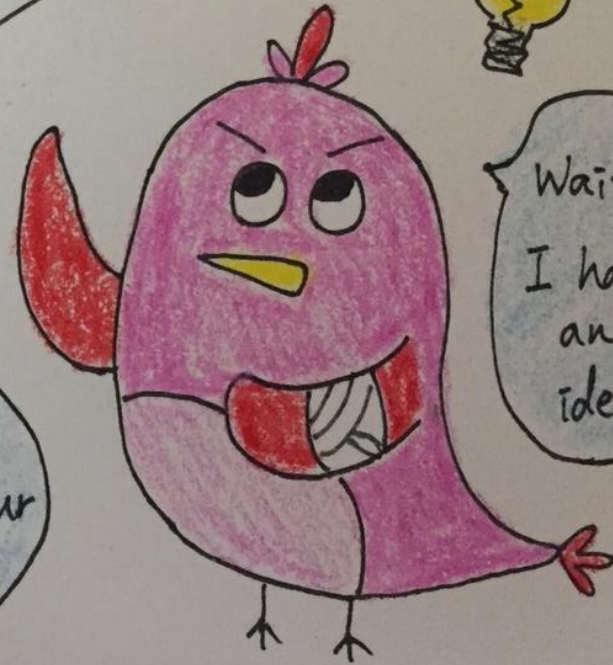

PINK, I have
brought you food.
And I also made
some friends.

What can I do?
I have broken my
arm. I can't fly
anymore.

No
problem!

But,
GREEN,
I need your
help!

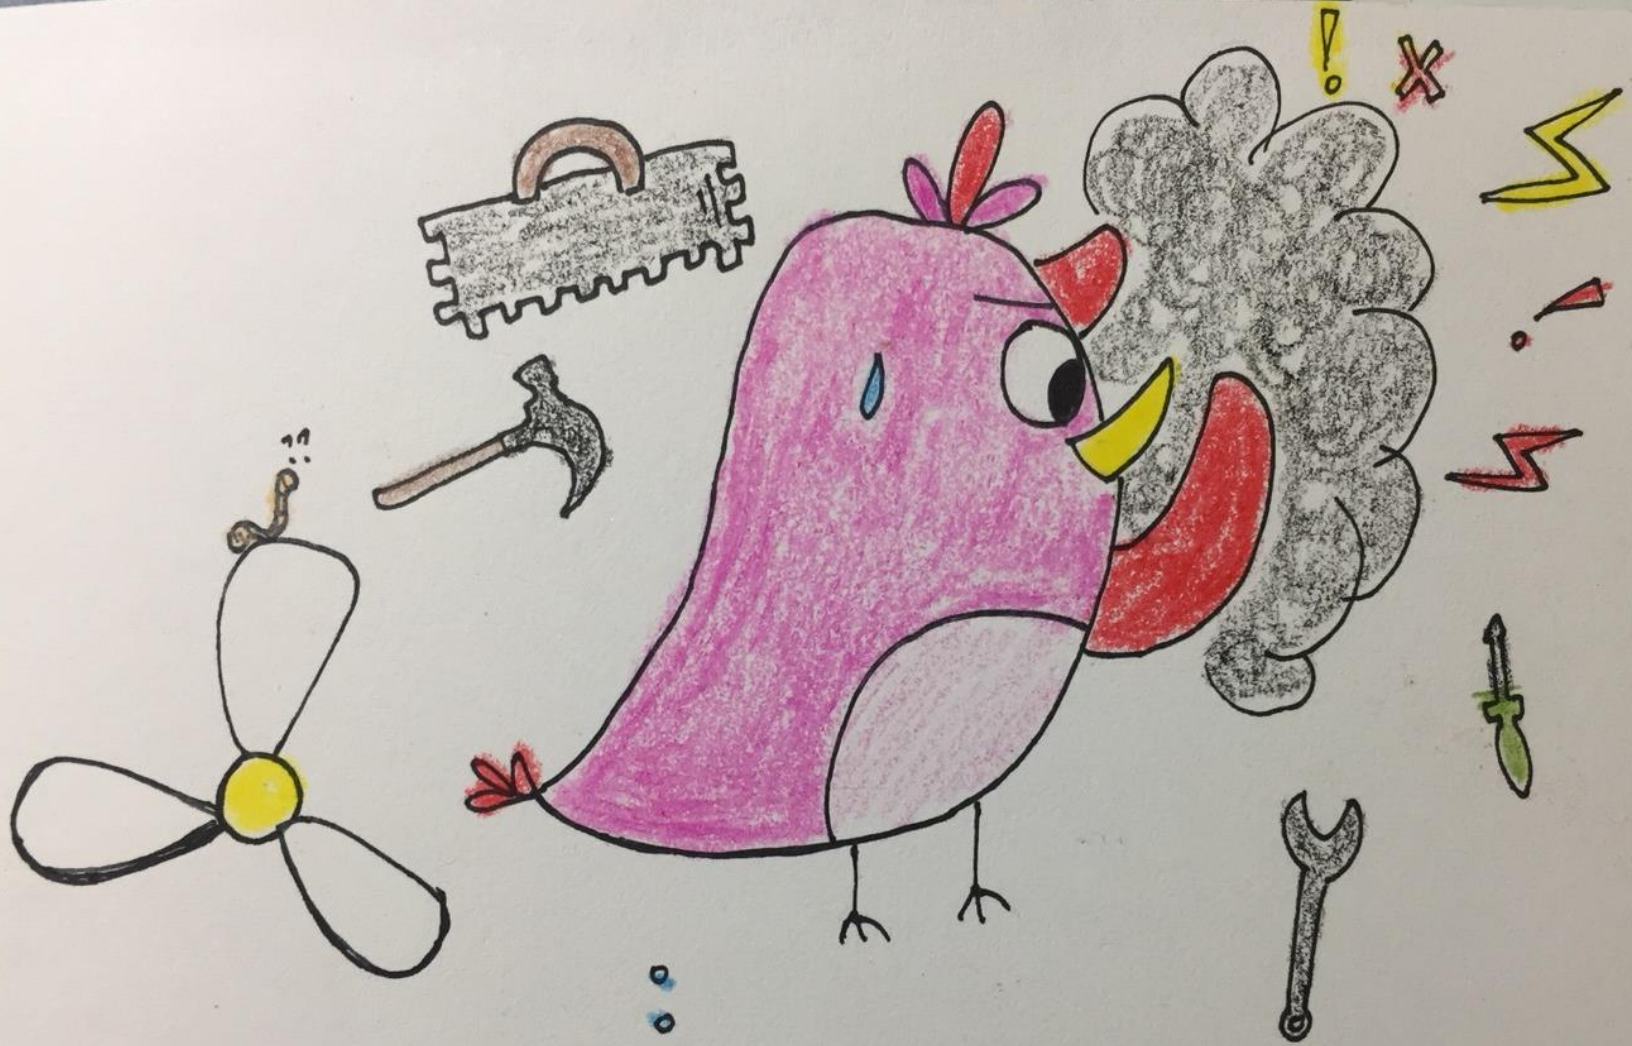

Wait!
I have
an
idea!

We have brought what you need!

Thanks

There must be more than one way to fly.....

The Next Day

PINK,
are you ready
to FLY?

Let's FLY!

Yes!

How to Fly

- Pencil, marker, rotating crayons
- Theme: the attitude when solving problems and difficulties (perseverance, find another alternative)

How to Fly
