Book Title: Where Does Henry Go?

(Cover picture)

Author: Leo Bao

Introduction: In the beginning, I was considering what kind of topic I'd like to choose.

For me, a picture book should be able to teach readers something meaningful, then suddenly a story came in my mind: The death of my friend. I think to know about death is very important to children because it will happen to everyone in the final day, but too many people cannot accept and embrace it. There's a time I was really down because the death of one of my best friend, and I want to convey the feeling I had and how I deal with it at that time, and finally this book has being created.

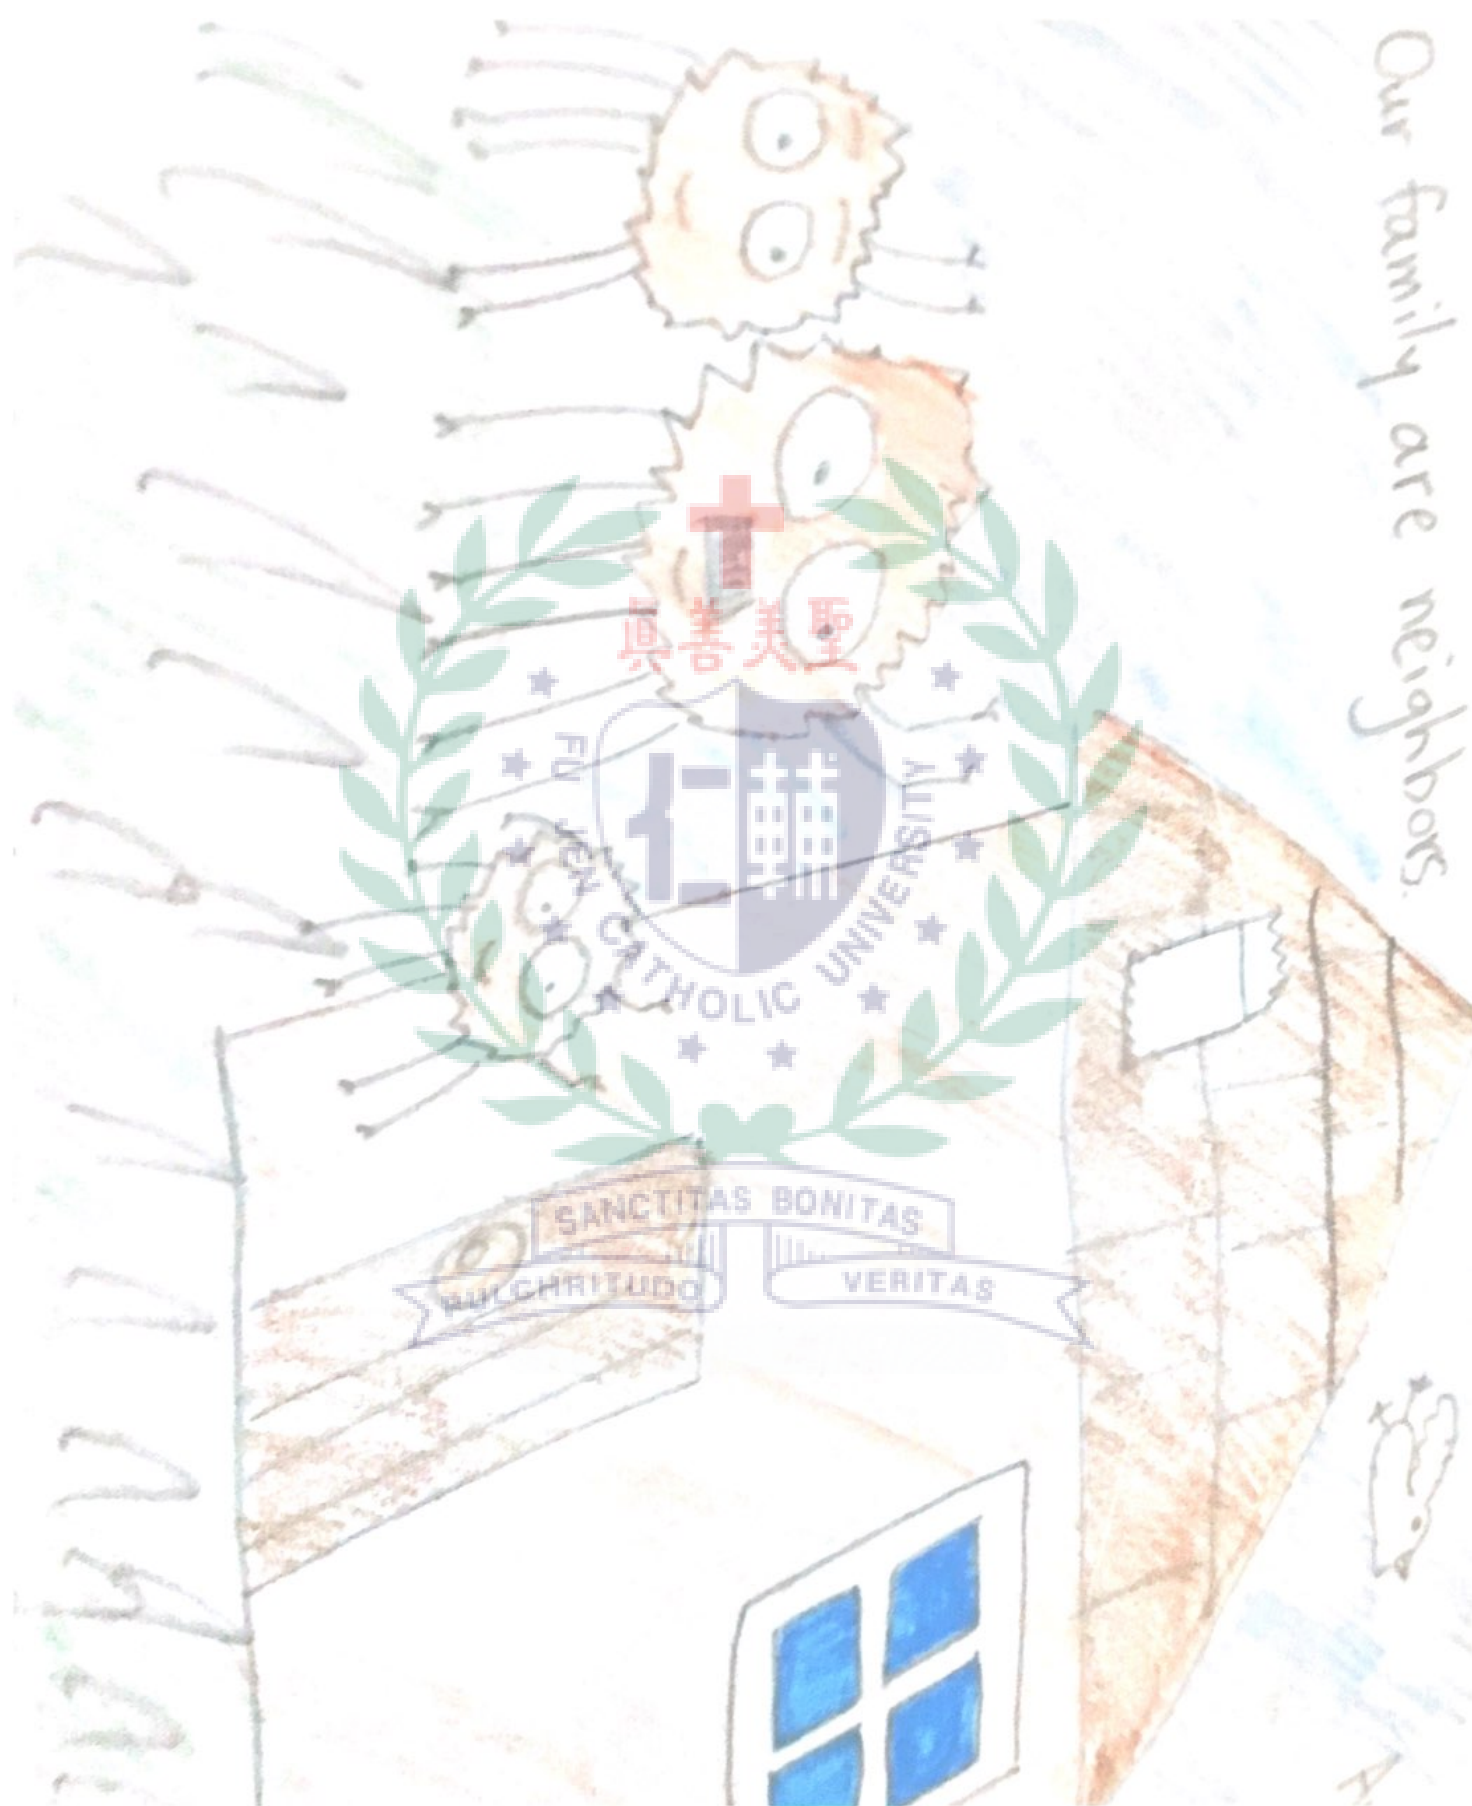

I am Leo, and this is Henry.

We are the best friends!!

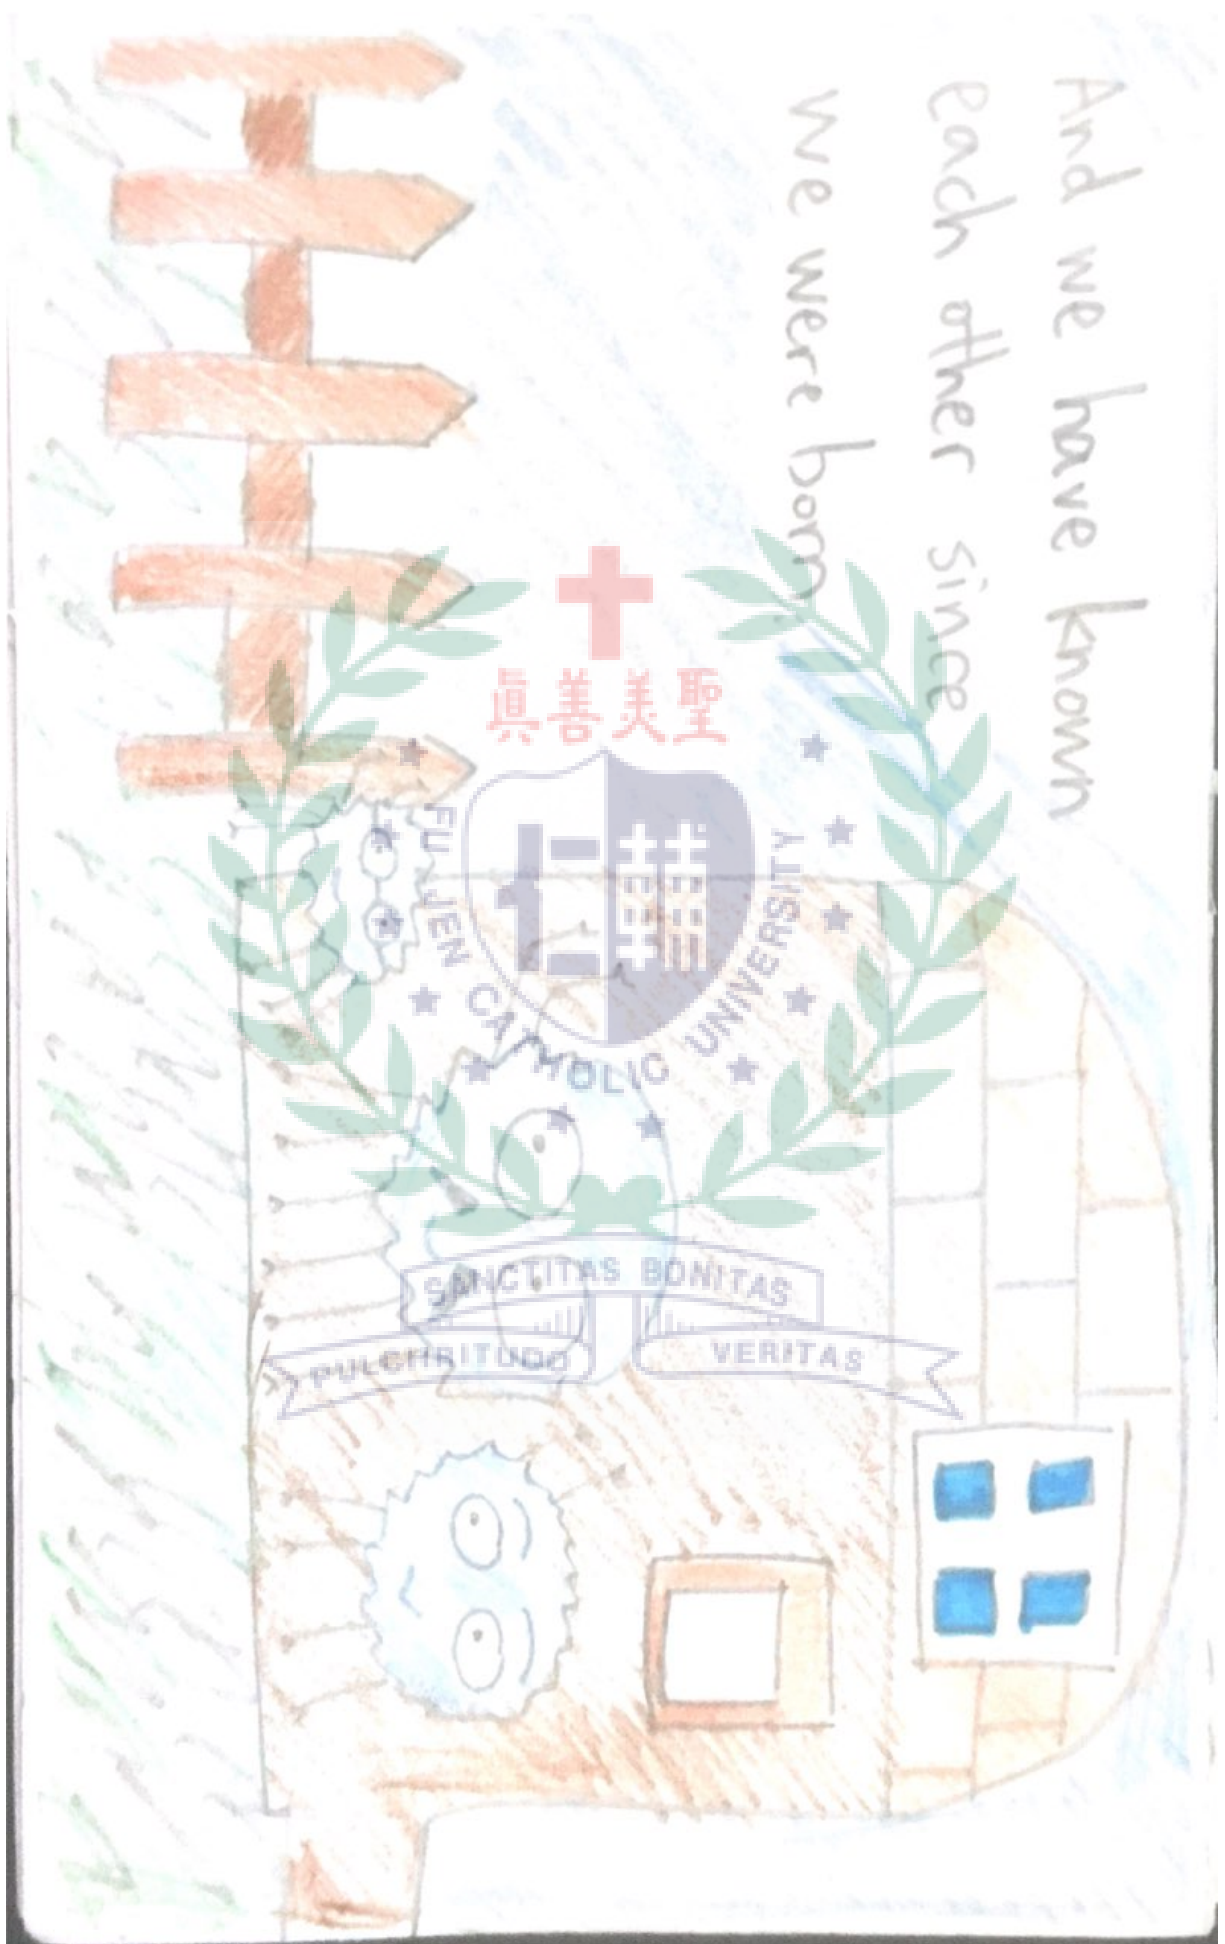

Our family are neighbors.

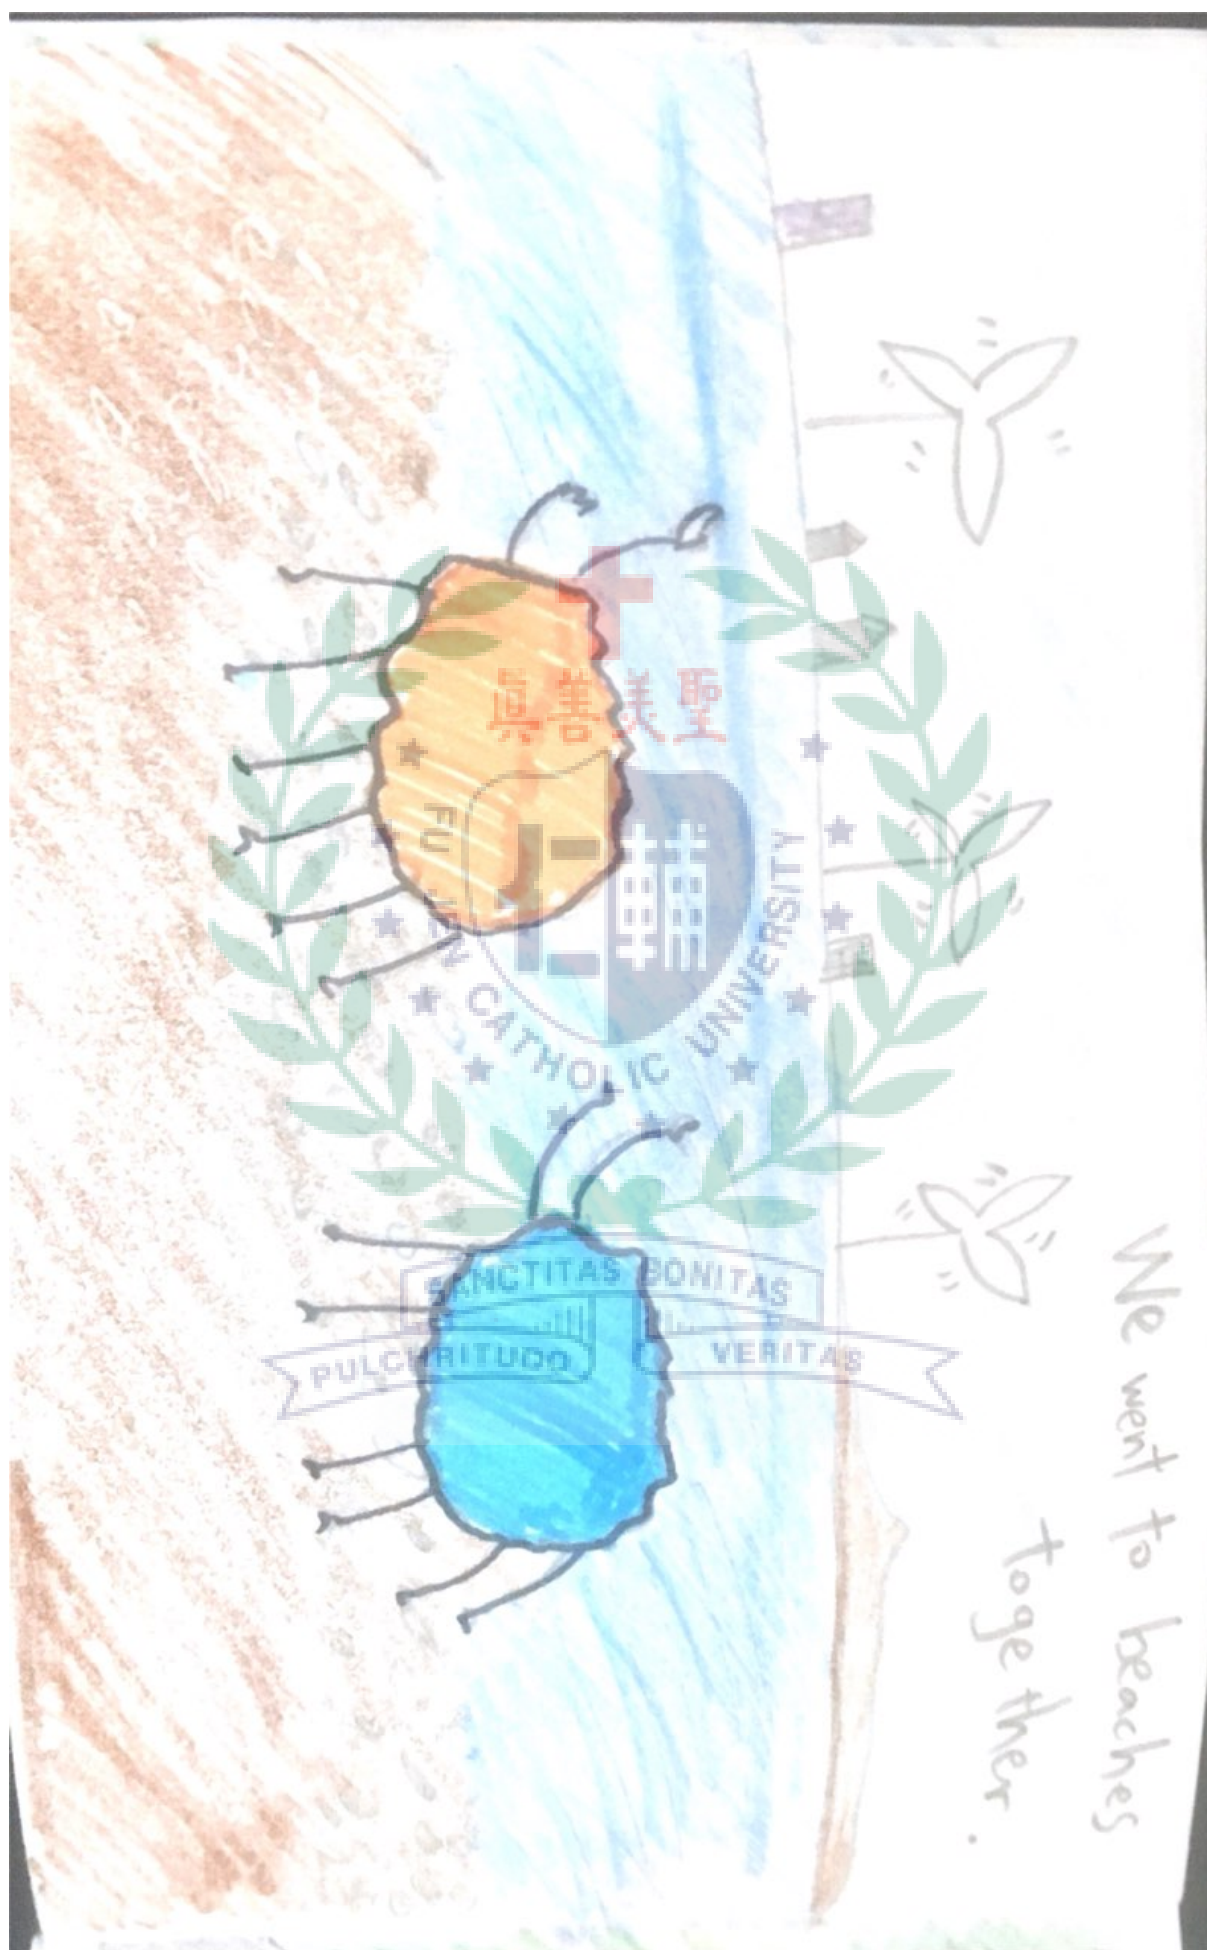

And we have known
each other since
we were born.

真善美聖

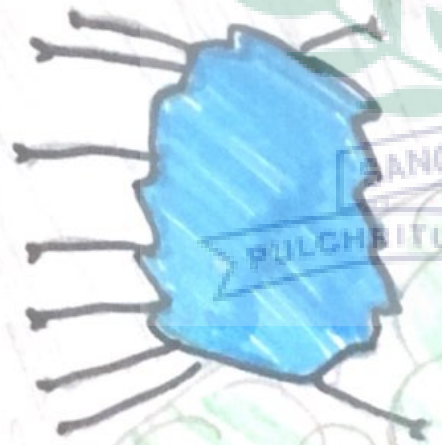

We went to beaches
together.

真善美聖

We went to
mountains together

SANCTITAS BONITAS

PULCHRITUDO

VERITAS

One day, I went to find Henry but
he was not there

His father said God has taken him away
But I didn't understand, so where did
he go?

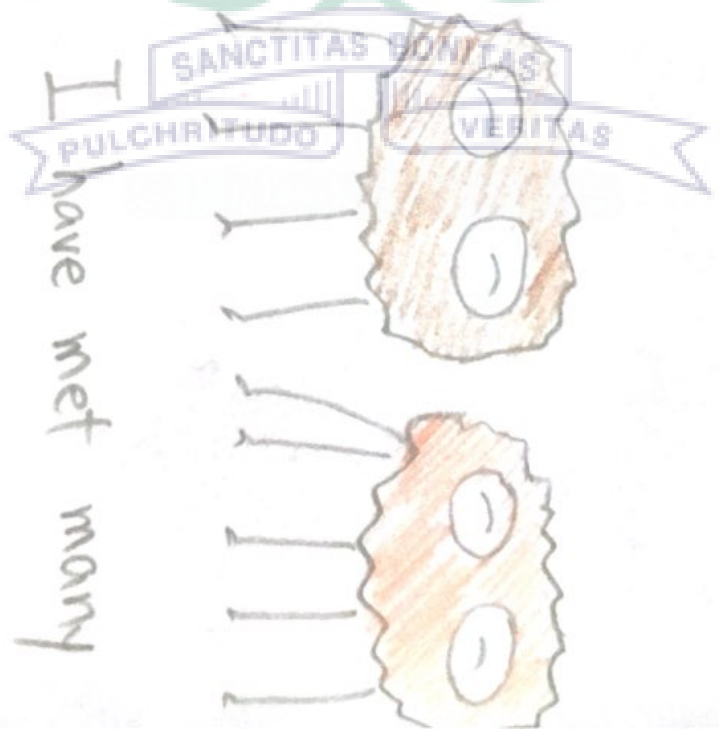

He is not at the beach

I have met many
new friends.

But I still wish I can see Henry
someday.
