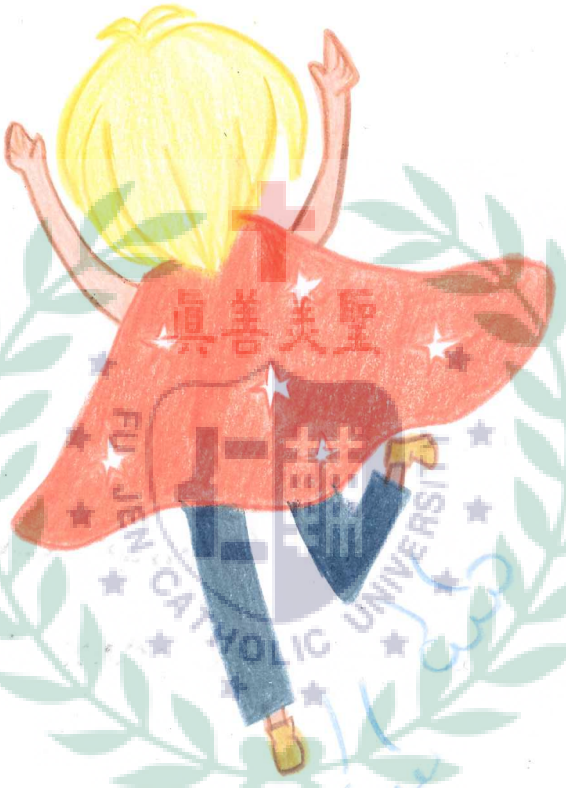
Petit's journey

By Michelle Tien

Petit is a happy prince,
who lives in the planet called "D610."

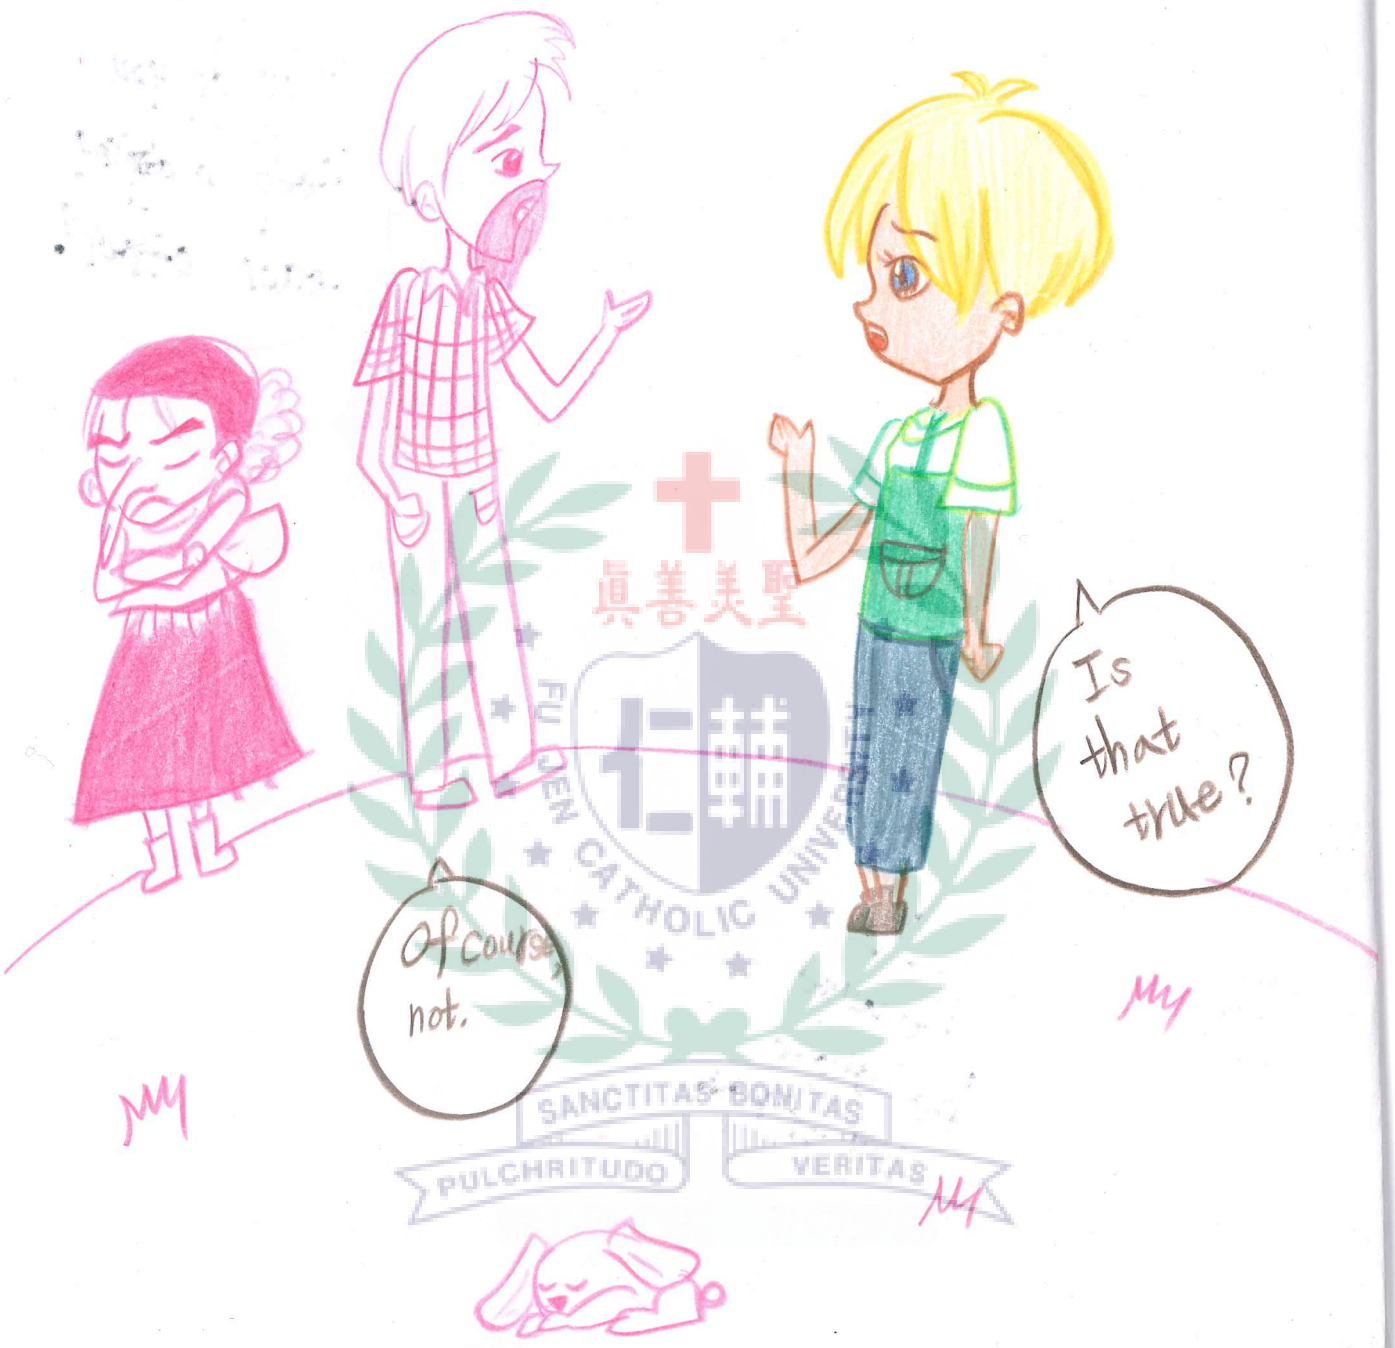
He wonders what other planets' people are doing, so he decides to start a journey.



So he flies to the first planet, called "Angry Volcano."

People keep scolding to each other there.
Petit feels sad about it.

Why do you keep blaming each other?
Because he stole my things.

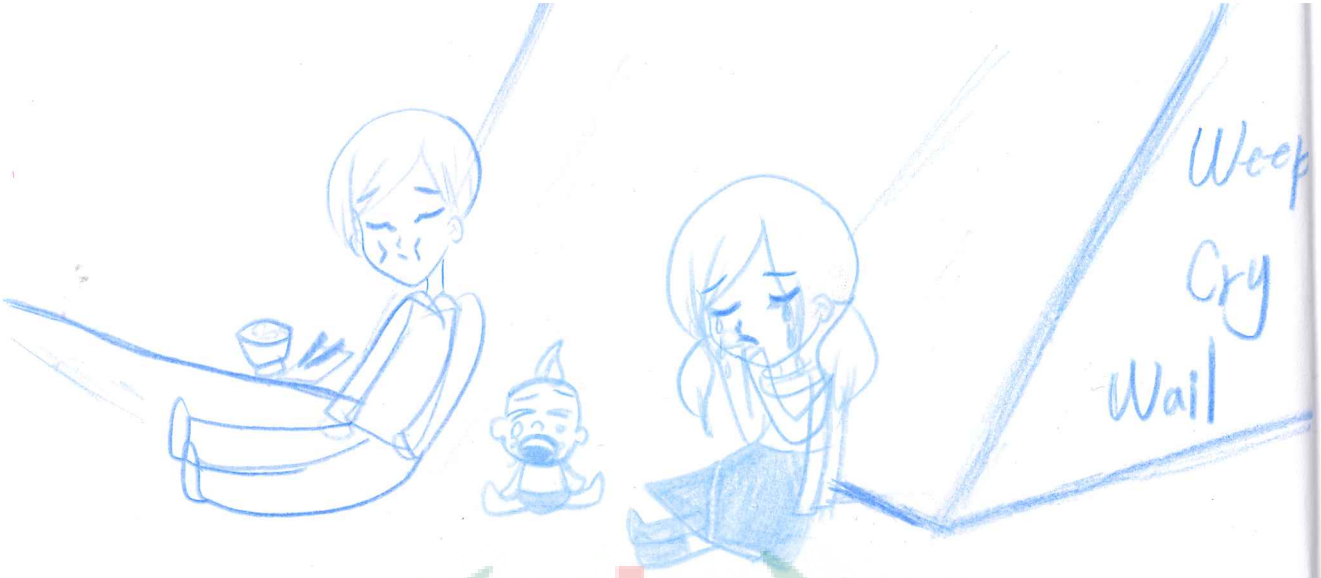


Of course, not.
Is that true?

I said so
because
I think so.

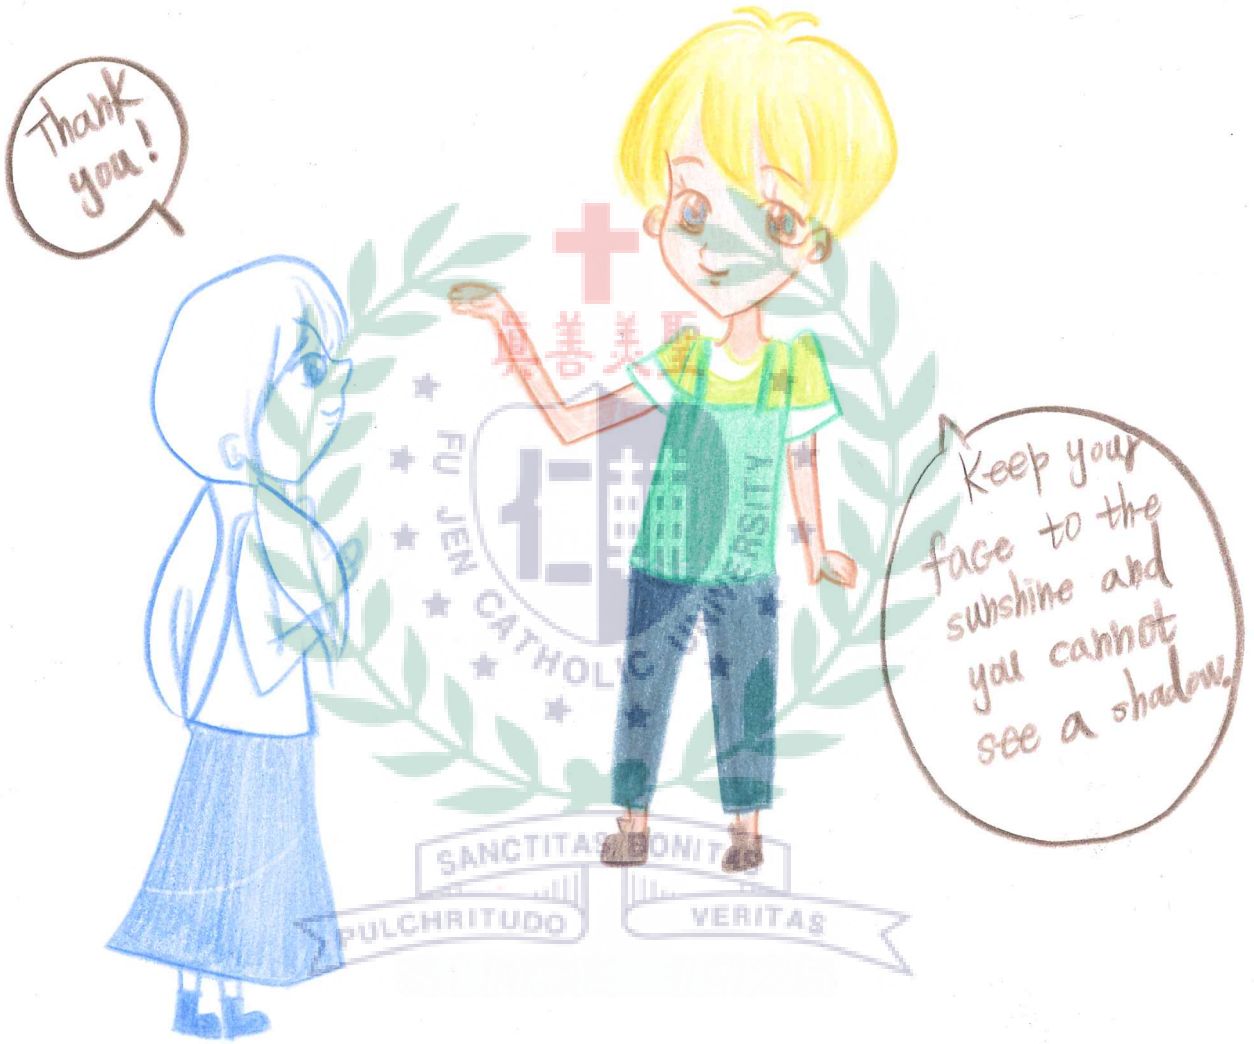
You can't judge a book by its cover!!

Petit flies away from the "Angry Volcano" planet.



"Weeping Jungle" is a planet where people is keep crying and feeling upset.

Why are you crying?
I think I did anything bad.



Thank you!
Keep your face to the sunshine and you cannot see a shadow.
